

MAINTENANCE Technician Competition

THURSDAY, MAY 19 • TRUCK CENTER COMPANIES

3601 Adventureland Dr.; Altoona, IA 50009

TECHNICIAN ELIGIBILITY & REGISTRATION FEE

The technician registration fee includes all meals, snacks, beverages & materials provided at the event. All items in this packet must be complete and accurate in order to be eligible to compete, and all eligibility rules must be met. **A minimum of 20 technicians is mandatory for the event to be held.**

\$150

Contestants must be valid commercial vehicle technicians whose primary responsibility is servicing, repairing and/or maintaining vehicles/equipment (*at least 75 percent or more of their job function*). Technicians with some supervisory responsibilities may compete as long as their primary role is serving as a commercial vehicle technician.

NATIONAL SUPERTech QUALIFIER

The participant who wins first place is encouraged to move on to the two-day National SuperTech competition taking place in Cleveland, Ohio, from September 25 - 29. Exact competition dates are TBD. Should the first place participant already be awarded the opportunity to compete at SuperTech by their company's own internal competition, the second place finisher will then be eligible to participate.

The National SuperTech competition is open to any actively employed commercial vehicle technician. However, all competitors must be TMC Technician Members. Active members are eligible to enter the competition without fee. Nonmembers will pay an entry fee and will become members for the remainder of the year. Verified champions of state trucking association technician skills competitions may enter without paying a fee.

GUESTS

If you plan to partake in the provided meals, snack service & beverages offered at the event you will need to complete the guest meal form. If a guest is only planning to watch or stop in to say hello, please email kenzie@iowamotortruck.com to be added to the 'spectator only' list.

EVENT INFORMATION

COMPETITION EQUIPMENT

All equipment and tools used in the competition is provided, which provides everyone a fair opportunity during the competition. Participants are encouraged to bring any gloves, goggles, or other PPE of their choosing.

CONDUCT

Professional conduct is required at all times and if any competing technician displays inappropriate conduct, he or she will be asked to leave the competition and future participation will be considered by the rules committee.

DRESS CODE

The only dress code that is required is that the technicians dress properly and professionally. Company uniforms are not required but are highly encouraged. Our objective is to promote the professionalism that exists in the industry.

PARTICIPANT INFORMATION

A minimum of 20 technicians is mandatory in order to hold the event. Contestants must be valid commercial vehicle technicians whose primary responsibility is servicing, repairing and/or maintaining vehicles/equipment (at least 75 percent or more of their job function). Technicians with some supervisory responsibilities may compete as long as their primary role is serving as a commercial vehicle technician.

RECRUITING

Recruiting of technicians is strictly prohibited. Any company representative that engages in recruiting will be asked to leave and if their company is competing they will be automatically disqualified.

SCORING

Scores are final and test scores are not publicly posted nor shared with anyone outside of the company of which the technician is employed. The individuals signing off on the employer entry and release page will receive the results of their specific technicians approximately 10-days following the event. Scores are not given out at the event.

WEATHER

The Maintenance Technicians Competition is held rain or shine. The committee retains the right to change the schedule if weather problems arise during the competition.
